AGENDA OF MEETING : FEE FINALISATION FOR THE SESSION 2022-23

The meeting started with healthy discussion on all major issues related to financial stability of school as school has received great set back due to COVID. During COVID times, from last two years school has not charged annual charges from students and over that majority of students have been given concession in tuition fee. It was a mixed bag of concession (full fee, half fee, one quarter tuition fee)

Since school has given 100% support to parents during COVID times for two years, now parents have ensured their financial stability and with consent of Parent- Teacher association, it has been decided that school will increase 5 % to 6% in tuition fee only.

The decision was cheered by all. The meeting concluded with vote of thanks by principal.
